HIDE'N'SEEK 2009

Hide'n'Seek is from the little tiny minimini country Switzerland and rocks the stages since 2006. They play kind of mixture from old school punk to independet rock. Their shows are like a big party 'cause Hide'n'Seek loves to party! But they are flexible and played also shows unplugged for romantic moments with beer and cigarettes.

They played their first concert at the legendery Sommercasino in Basel in front of over 400 people. Hide'n'Seek played a lot of shows, for example at the European Skateboard Championship Afterparty with Al&the Black Cats (Rockabilly/USA), as headliner of the „Lose Your Hearing!“ Festival, as opener of the first „Take Off Festival" with the biggy bigs of Switzerland's rock music, as the only support of the MTV Germany breakouts JENNIFE ROSTOCK whole CH - TOUR.

Their first EP "Quickie" was recorded at Reelmusic Studios by Ruby Cash.

The latest EP "HIDE'N'SEEK - 2008", also recorded at the Reelmusic Studios by Ruby Cash shows, how multifaceted they are. The effort to come near to their amazing liveperformences with this new EP succeeded.

"HIDE'N'SEEK - 2008" is available on www.hidenseek.ch, Roxy Records in Basel as well as on the iTunes Stores: USA, CANADA, UK & EUROPE, AUSTRALIA and JAPAN!
